Weekly Briefing

The South Glamorgan Community Health Council (CHC) is the independent watchdog of NHS services across the Cardiff and Vale of Glamorgan. We are wanting members of the public / service users etc to provide feedback on their experiences through the surveys currently running.

South Glamorgan CHC seeks to work with the NHS and inspection and regulatory bodies. We provide an important link between those who plan and deliver NHS services, those who inspect and regulate it, and those who use it.

Pentyrch Surgery Virtual Public Meeting

The CHC will be hosting a virtual public meeting alongside the Cardiff & Vale University Health Board, regarding the proposed changes to relocate Pentyrch Surgery. The event will be held on Wednesday 30 June, 7-9pm via Zoom.

Further information and how to register your interest in attending the meeting, can be found on our website.
