

Wellbeing Hub at Penarth

Cardiff & Vale University Health Board is holding a public meeting on the development of the Wellbeing Hub at Penarth.

Wellbeing Hubs are integrated, community-focused health and wellbeing facilities. They provide people with easy access to primary care and a wider range of health, care, and wellbeing services in the community.

We are co-producing proposals with the community and will be taking the thoughts and feedback of the area's residents

Please join us from
6pm to 7pm on 26th June at
