The Llandough War Memorial Hall comprises of a large hall capable of accommodating up to 100 people, a large and well-equipped kitchen, disabled toilet facilities, baby changing facilities and rear meeting room space for up to 12 people.

The Hall has been maintained to a very high standard and is currently available for celebratory parties, meetings of groups as well as sporting and cultural activities. Hire rates are very reasonable - for occasional users the rate is £15 for the first hour and £11 per hour thereafter and for regular users a much-reduced price of £9.00 per hour. There are a limited number of weekday evening and weekend slots that are available for immediate hire.

If you are interested in making a booking, please contact Paul Egan on 01446 409294 or by e-mail [p.egan67@ntlworld.com](mailto:p.egan67@ntlworld.com)

### MULTI USE GAMES AREA (MUGA)

Matters are progressing well with the planned installation of the MUGA and we are confident that it will be in place by the end of December, 2019 at the latest. The cost to the community will be relatively small given that the Council is able to access grant and Section 106 funding totaling over 70% of the total cost. The Council feels certain that the new facility will be well used by our young people and create a new opportunity for them to develop their sporting skills and engage in healthy physical exercise.

The installation will take a few weeks to complete and access arrangements to the playing fields will be designed to limit any disruption to residents living in the immediate area. Its location will be at the southern end of the playing fields near the existing children's play area.

## WILDFLOWERS IN THE COMMUNITY

Many of you will have seen the wildflower displays on the village green, village garden and in the playing fields. We hope that you will have enjoyed seeing the displays which have helped enhance the environment of the community. The Council has a Bio Diversity Working Party which meets on a regular basis with a view to developing actions that enhance the bio-diversity of our community. For a number of years, the Council has arranged for the planting of bulbs and wildflower seeds and has also arranged for bird boxes to be installed on trees in the community as well as at the allotments site in Corbett Road. We hope that the community supports the actions of the Council which will feature in its on-going plans to enhance the environment of our community and assist in a small but important way to the Welsh Government's climate change strategy.

## ALLOTMENTS

Allotments became the vogue during and after the 1<sup>st</sup> World War and today they remain in demand for local food production, exercise and building up of new friendships. Your community council operates a large allotments site off Corbett Road and now is the time to consider adding your name to the waiting list for a plot. The first-year rental is around £38 with reductions for senior citizens and if you are interested please contact the Clerk on 01446 409294 or e-mail [clerk@llandough-cc.co.uk](mailto:clerk@llandough-cc.co.uk).

You may have to wait for some time to be offered a plot but getting your name on the list is important.

Responsible dog owners are in the majority and this message is not intended for you. ## OVERGROWTH FROM HOUSES IN THE VILLAGE

Residents are asked to be mindful of the need to properly maintain hedges growing in their gardens to ensure that any overgrowth does not adversely affect pedestrians especially those with children in prams or pushchairs. Trees can also be problematic if they are not pruned at appropriate intervals.

The service is available on Thursday mornings and anyone interested in accessing the service should contact the Clerk to the Council. We want to hear from anyone who would benefit from taking part in the scheme. As well as providing access to the supermarkets it is an opportunity for those involved to make new friends. The scheme will start back on 12 September and for those taking part you will be picked up from your home for a journey to one of the nearby supermarkets and returned to your home.
